

### G1W-AT1-HW

### G2W-AT1-HW

#### Description

IMPACT™'s Gold Series Hard Wired kits utilise our new full sized PTT with swivel clip and all the same top quality components as our other Gold Series products.

Instead of the Snaptight™ disconnect option, we "hard wire" them directly to the ear piece just like our Platinum Series.

Ideal for hospitality, retail, security and sporting applications.

#### Features

- Rugged anchored Kevlar™ reinforced cable
- Newly designed full sized impact resistant PTT
- Surgical grade QD clear coil acoustic tube
- Screened mic on PTT (not pin hole that can clog)
- Two year warranty
