

3 Wire Surveillance Kits

PLATINUM Series

P3W-AT1-WPTT

Description

Taking covert surveillance to a whole new level. IMPACT™'s new three wire surveillance kit with only two wires.

The included mini wireless PTT (about the size of a quarter) is waterproof and includes a Velcro strap to secure it to your finger, steering wheel or handle bars.

Now use a three wire even while wearing short sleeves. The micro, ultra-sensitive electret condenser mic with lapel pin can be hidden inside the collar. The surgical grade quick disconnect clear or black acoustic tube combines to offer the ultimate in covert communications.

IMPACT™'s Ghost version allows the user to plug in any 3.5mm stereo headset for the ultimate undercover application. The bad guys think you're just listening to your tunes when really, you're on the job!

P3W-3.5-WPTT
